

## Musselburgh Riding of the Marches 2016

*During the festival week, a number of events will take place that will affect both vehicular and pedestrian access at certain times and in certain areas of the Burgh particularly during the Turf Cutting Ceremony and the Civic Procession when parking restrictions, temporary suspension of parking areas and road closures will be applied. There will also be some disruption to public transport services. Other events: The Church Parade, Junior Ride, Riverside Luminaire and Fireworks will have a lesser impact on traffic but are included in a comprehensive Traffic Management Plan which details the measures to be put in place to minimise disruption and maximise public safety. The full plan can be accessed at the Musselburgh Riding of the Marches Information Centre, 73 High Street, Musselburgh.*
